Hi Allison and Tom –

I'm checking in to see whether you might have a chance to take a quick look at this appx 1 page set of talking points for our program to use in meeting with the Oglala Sioux Tribe this Friday? If we could get the document to the program by c.o.b. today or first thing tomorrow, that would be great. We are briefing our Water Division Director tomorrow morning. I'm sorry for the short notice, as I noted below, the consultation meetings have just been scheduled so we didn't have much lead time.

Thanks,
Erin
